## **Authorization**

By signing below, I request that the above-named school become an MBAR member school. I understand that in keeping with the collaborative nature of MBAR, member schools are asked to share their curricular ideas, experiences, and questions with one another through participation in MBAR-sponsored events, surveys, and publications. I understand that member schools are obliged to pay an annual fee. Membership can be renewed annually, with the annual fee subject to change. I understand that the range of services offered by MBAR may change over time as the collective needs of its membership changes. I understand that if in any year my school does not pay its annual membership fee, it will lose its MBAR membership status.
